LEGRANDSOLUTION

## About Us

We are young entrepreneurs with experience in photographic production, promotion of events, consulting, design and execution of marketing strategies, management of social networks and realization of POP material.

LEGRANDSOLUTION

## Mision

To offer excellent quality in our services, mainly in photographic productions, promotion of events and parties in Miami as well as being the reference suppliers of the necessary resources for the production of events, focusing on the satisfaction of the needs of our clients and allies.

## Vision

To be the reference company in marketing, photography, promotion and production of events in Miami.
